June 2010

Dear Praying Friends,

Thank you for praying as we have gotten settled in. We are now very actively ministering to the people around us.

We are learning the sign language well and building relationships with the Deaf in our community. In just a couple of weeks we will begin teaching a sign language class in the hearing church. We have already had one deaf man visit the church which helped create a desire in the church members to learn sign language.

I am spending quite a bit of time with a hearing man trying to share the love of Christ with him. **Victor is 86 years old and sees no need for the Bible.** Because of a mutual interest in bicycles—he has been in the bike business for more than 70 years—we have built a good friendship. Pray that I will show God's love so that he can open his heart to the Gospel. I spend 2 or 3 nights a week over at his house tinkering with bikes and sharing with him about my ministry.

Victor with our daughter Leyla

In July I will go to Las Vegas for the Deaf Nation World Expo. The event coordinators are expecting **50,000 Deaf from around the world** at the event. I will join a team from Silent Word Ministries to distribute tracts and Gospel DVDs. Imagine the witnessing opportunity we will have with 50,000 people who are gathered for the sole purpose of interacting with strangers.

The cost of the trip is \$2,200. Some friends have already grasped the tremendous opportunity we have and pitched in to make the trip possible. You can get more information on how you can be a part of the effort at www.dpeach.com.

Every few months I send out a packet of prayer letters from national pastors who work with the Deaf. I share these letters with churches and individuals who have shown an interest in praying for deaf ministries around the world. If you would like to receive these letters you can send an email to david@dpeach.com and let me know your address. I can mail the printed letters to you or send them in PDF format over email.

Thank you for partnering with us in prayers and finances to reach the Deaf both here in Argentina and around the world.
