Dear Friends,

Thank you for praying about the Nigeria trip in April. Unfortunately, it did not take place due to paperwork problems and not getting a visa issued in time. This was not a surprise to God and we trust this was all within His plan. I'm still planning to make the trip when we can work out dates and get the paper work sorted.

Training School

We had a great Training School with our missionaries. Each year is a different dynamic based on which missionaries are able to attend. We had a smaller number of attendees this year, but the fellowship and sessions were great. There is a lot of information packed into those 4 days. Along with teaching some of the sessions, Stephanie and I interpreted for one of our deaf missionaries.

Training School ended on a Thursday evening and I packed up the next morning to fly to Orlando. This was so I could be with one of our missionaries to the Deaf during the funeral of her dad.

Then it was back home the next day to get ready for my second of four weeks of camp.

Camp Time!

We completed our second week of deaf camp at the Bill Rice Ranch in Tennessee. I will be at the Ranch one more week this summer (July 10-14) and then go to their camp in Arizona, West Branch, the following week. Please continue to pray that God would use the speakers and staff to make an eternal impact on the Deaf.

*143 years of deaf ministry
represented in our camp speakers.*

We saw 41 people saved in the two weeks of camp that I have been in. Of those, 2 were from our deaf program. We were thrilled to learn that one of our deaf campers from the first week lead 4 other Deaf to the Lord in another camp she attended the following week.

Camp has had a great influence in my life as I am sure it has in yours. On a recent trip to Arkansas to present our ministry at a new church, we stopped by the camp that I spent my teenage years attending. Triple S Christian Ranch in Rose Bud, Arkansas is still going strong and seems to be faithful to the ministry that they have had for over 45 years. It was a blessing to spend a few minutes walking around the camp and visiting spots where I remember memorizing so many Bible verses.

New Support

We are grateful for new supporters over the last few months. This has been a help to us as we continue to encourage the missionaries working with the Deaf through BIO as well as expand our outreach to them and the Deaf they are serving.

Thank you for your continued prayers and financial support.
