October 2023

Dear Friends,

Fall is upon us! This is the season of mission conferences and many opportunities to serve the Lord. Currently we are in the middle of a Bible conference in a deaf church.

Camp

The camp summer finished up great. I spoke at 4 weeks of deaf camp. Stephanie and I also spent a week at the Bill Rice Ranch as campers for their Deaf Adult Camp. It was an enjoyable week being with many of our deaf friends.

We saw 12 Deaf saved through the camp ministry this summer. I am encouraged by the reports of several of our missionary and evangelist friends who participated in various deaf camps and reading about the many Deaf saved and surrendered to the Lord.

Where Now?

In some ways it seems like we haven't really been anywhere since the end of the summer. However, in the 7 weeks since camp ended, we have spent 5 weekends preaching to deaf congregations.

We will be gone ministering in other churches most of October. But until then, we are coming to the end of a 10 week sign language class we have been teaching in the church in east Tennessee that we attend. The students are doing well and we are excited about what the Lord may do through these classes as it relates to ministry opportunities.

New Missionaries

It is great to see new missionaries headed to the field. At our Executive Council meeting last week we approved some new missionaries. The Smith family is starting their deputation to go to American Samoa. And Timothy Pozo is a young man working with our veteran deaf missionaries, John and Tricia Olson. Timothy is the son of deaf parents in Peru. He has been a great help to the Olsons in their ministry and we are glad to have him as a BIO missionary serving with them.

*Welcoming Timothy Pozo
into the BIO family with a lapel pin.*

College Opportunities

Once again we will be participating in the missions conferences at a couple of college ministries. The first will be at The Campus Church of Pensacola Christian College in Florida. While this is a church event, we are given access to and speaking opportunities with the college students. Then we will be at Ambassador Baptist College in North Carolina.

These meetings will give us a time to catch up with some of the workers that I spent the summer with. Pray as we have continued opportunity to influence them for the Lord and His service.

A handwritten signature in black ink that reads 'David Peach'.
