Dear Friends,

The summer ministry opportunities are already underway! My first week of deaf camp is over and our missionary training week is in progress as I send this.

Second Bolivia Trip

In April, I took the return trip to Bolivia that I previously mentioned. Stephanie did not go with me this time, but I was joined by a young husband and father who is seeking God's will for his life. He is also a new Christian. It was a joy to introduce him to a side of missions he had only heard about before. Please pray for Zeth and Danielle as they lead their family into a deeper relationship with the Lord.

While in Bolivia, I was able to make important contacts to help guide future ministry with the Deaf in Tarija. I met with the deaf school in town and found a warm welcome. I also spent time with missionary Luke Marie in Santa Cruz and was encouraged by the work he is doing there.

We don't know all the details yet, but we are praying about spending three months in Bolivia early next year to teach sign language and train people from various churches in ministry with the Deaf.

Camps

One week of camp is already complete—and we rejoiced to see one deaf teen boy come to Christ! It was a good week. We have two more weeks of teen and junior camp for the Deaf, and later this summer, my wife and I plan to take a lady from our church with us to Deaf Family Camp.

Deaf camps are happening all across the country this summer. Would you pray for those you know about? Our weeks of camp at the Bill Rice Ranch are June 23–27 and July 7–11 for youth camps. Deaf Family Camp will be held July 28–August 1.

BIO Enrichment Week

As I mentioned, this week (June 16–20) is our missionary training and enrichment time. We appreciate your prayers as we learn together and enjoy sweet fellowship with God's servants.

Thank you for your prayers and support. Let us know how we can pray for you!
